The image shows a mobile application interface for editing an exercise schedule. At the top, there is a black header bar. Below it, a light gray background contains the following elements: a back arrow and the text 'Exercise time'; the instruction 'Set your suitable time for your exercise'; three rounded rectangular buttons labeled 'Morning' (purple), 'Afternoon' (white), and 'Before Sleep' (white); a horizontal line with the word 'Or' in the center; a rounded rectangular box containing a clock icon, the time '09:00', and an 'Edit' link; and at the bottom, two buttons labeled 'Back' (white) and 'Next' (purple). The entire screen is framed by a black border at the top and bottom, with a standard Android navigation bar at the very bottom.

The screenshot shows a mobile application interface for selecting exercise time. At the top, there is a black header bar. Below it, a light gray background contains the text "Exercise time" with a back arrow icon. The main instruction is "Set your suitable time for your exercise". There are three rounded rectangular buttons stacked vertically: "Morning" (purple), "Afternoon" (white), and "Before Sleep" (white). Below these buttons is a horizontal line with the word "Or" in the center. Underneath the line is a rounded rectangular button containing a clock icon, the time "09:00", and an "Edit" link. At the bottom of the screen, there are two rounded rectangular buttons: "Back" (white) and "Next" (purple). The entire screen is framed by a black border at the top and bottom, with a standard Android navigation bar at the very bottom.
