The image shows a mobile application interface for managing medication. At the top, there's a title "A brief of your med:". Below it, a purple pill icon is shown. The medication details are listed: Name: acetaminofén, Form: Tablet, Dosage: 1 Pill, Time: Every day-After 14:30, and After Lunch. Below the details, there's a section for editing: "If you want to change anything :" followed by an "Edit" button. At the bottom, there's a section for finishing: "If everything is correct :" followed by a green "Finish" button, which is highlighted with a red border. The interface is displayed on a mobile device screen with a black navigation bar at the bottom.

3.- Pulsar el boton Finish

Se pudo realizar el test case sin inconvenientes.
